An Invitation To Share

BACK TO SECTION

2027 QX80

The journey is the reward, and sharing it with others makes it all the more meaningful. The 2027 INFINITI QX80 is your space to savor life's in-between moments in luxurious comfort and sophisticated style, turning them into lasting memories with whomever you invite along for the ride.

2027 QX80

As you approach QX80, the **INFINITI Light Path¹** illuminates your walkway to invite you closer, while the **approach unlock & walk away lock** feature senses your presence and unlocks the doors for you. At the same time, the **flush door handles** extend in greeting. Altogether, it's an embodied experience of hospitality.

FRONT DESIGN CUES

Elegance That
Draws Guests In

FRONT DESIGN CUES

Lead from the front with the impressive Piano Black **waterfall grille**, inspired by the Kyoto bamboo forest and featuring an **INFINITI Radiant® Illuminated Grille Emblem**. Together with the graceful dance of the **Digital Piano Key signature lighting**, QX80 draws the eye in and down the infinite road, luminously intersecting the distant horizon.

REAR DESIGN CUES

Style That Turns
Its Back on No One

REAR DESIGN CUES

Make an exit worthy of your entrance – impressive yet boastless. The **light curtain rear taillights**, complemented by the **Digital Piano Key lighting**, dazzle onlookers as more than 300 micro-LED lights illuminate the entire width of the QX80 to create an effortlessly spectacular finish.

PREMIUM INTERIOR

Savor the Sensation¹

PREMIUM INTERIOR

Success is a shared endeavor, and the QX80 invites those who have helped you get there to revel in it – with first-class seating in every row and available 12-way power front seats.

12-Way Power Front Seats¹

PREMIUM INTERIOR

With available **semi-aniline leather-appointed seats**, captain's chairs in the first two rows and an available **Rear Control Panel** with touch-screen functionality, you can extend premium comfort – and control – to you and your guests.

SEATING

Design your QX80 around your hosting needs, with a choice to **seat either seven or eight passengers**. The seven-seater allows your second-row guests to luxuriate in their very own captain's chairs. Or, opt for the eight-seat configuration, available on LUXE, to maximize your hosting potential with bench seats in the second and third rows.

DESIGN INTRICACIES

A World of Detail

DESIGN INTRICACIES

It takes a trained eye to properly notice the subtle inspirations of true craftsmanship, though all will immediately feel its powerful effects. The **Intelligent Key fob's ridged pattern** is inspired by the summer kimono design worn by the samurai. The available **Open Pore Ash Wood with Metal Inlay interior trim**, fashioned after the silver strings of a traditional koto instrument, creates unique reflectivity depending on the angle of the light. These details are both inspired and inspiring.

Open Pore Ash Wood with Metal Inlay interior trim¹

DESIGN INTRICACIES

The available **diamond pattern** on the captain's chairs features perforations with dot-quilting to create a subtle pillowing effect. Rather than abruptly ending, the pattern gently fades as it reaches the edge of the seat. Similar in subtlety, the available **luxurious wrapped interior panels** are hand-stretched and fitted to elevate what would otherwise be ordinary. It's a detail that requires the delicate touch of a skilled artisan.

EXTERIOR EXPRESSION

Make a more striking impression with the QX80 SPORT. The SPORT refines the **front fascia** with a unique **front bumper and grille**, while unique **SPORT 22-inch wheels** enhance the vehicle's bold profile. **Black roof rails² and mirror caps** add a sleek look, and the **dark chrome exterior trim** imbues an extra touch of sophistication. Altogether, it's an exterior that radiates dynamic elegance.

INTERIOR EXPRESSION

Indulge your senses further with the sophisticated interior of the new QX80 SPORT. Unique **Dusk Blue semi-aniline leather-appointed seating**¹ offers both comfort and a contemporary burst of color, and the **graphite headliner and pillars** add to the cabin's sleek, refined atmosphere. High-level craftsmanship and stylish details transform your every journey into an exquisite experience.

INTUITIVE DISPLAYS

Harmonize the serenity of what's outside with the comfort of what's inside. Showcased on **dual 14.3" displays**, the intuitive **Live Wallpaper** instinctively adapts to the time of day, while the available **Personalized Ambient Lighting** features 64 unique color selections that can be adjusted to reflect the current season.^{4,7} When it's numbers you need, the available **Head-Up Display** projects pertinent information, like speed limits and turn-by-turn navigation, directly onto the windshield.^{8,9,10}

INTUITIVE DISPLAYS

Have eyes on what matters. The available **INFINITI Dash Cam Recorder** captures front and rear exterior footage for added peace of mind. Capture what's inside. The **in-car camera**, an AUTOGRAPH trim exclusive, allows you to view the interior on the center screen and zoom in to rear rows to record special rear-seat moments that can be shared with friends and family. Left something behind? Simply access the camera via the **INFINITI Dash Cam Recorder** app on your smartphone to check for forgotten items.^{1,6,11,12}

CUTTING-EDGE COMFORT

Achieve Equilibrium

CUTTING-EDGE COMFORT

QX80 has guest comfort down to a science. If a first- or second-row passenger enters feeling too warm, available **Biometric Cooling** can detect their body temperature using infrared scanning and intuitively adjust the fan speed, creating thermal bliss – all without needing to push a button.¹⁵ Helping to reduce the effects of light, heat and ultraviolet and infrared rays are **UV and IR cut glass windows**. Even the air is carefully considered, as a cutting-edge **Plasmacluster® air purifier** and **Grape Polyphenol filter** help cleanse the air of odors for a cabin that smells fresh.^{1,16}

CUTTING-EDGE COMFORT

With available **heated seats in all three rows** and available **climate-controlled and massaging first- and second-row seats**, QX80 lets all your guests set and achieve their own standard of comfort. The available **Rear Control Panel** with touch-screen functionality makes accessing these options even more convenient. And with the available front **console cool box**, even small items like seltzer water and chocolate bars have a space to stay cool.

DRIVER ASSIST FEATURES

Comfortable Control

BACK TO SECTION

DRIVER ASSIST FEATURES

Reimagine the relationship between driver and vehicle. When activated, standard **ProPILOT Assist** with **Steering Assist** can maintain your set speed and assist the driver in helping keep the vehicle centered within the traveling lane. In traffic, **Intelligent Cruise Control** maintains your distance and brakes when traffic slows – even coming to a complete stop – before re-accelerating when it clears.²⁰

DRIVER ASSIST FEATURES

Achieve control in unexpected ways. Available **ProPILOT Assist 2.1**, standard on the AUTOGRAPH trim, can gently assist you into an adjacent open lane and then accelerate to your desired speed. From there, you're free to loosen up as **hands-off driving** capabilities (under certain conditions) help keep you centered in your lane.²¹

VISIBILITY FEATURES

Optical Solutions

VISIBILITY FEATURES

The available **Smart RearView Mirror** does more than reflect what's behind you. When your QX80 is full of guests or cargo, simply flip a switch to transform your rearview mirror into a monitor that shows the view from the rear cargo door-mounted camera – for unobstructed visibility.^{2,20}

MANEUVERABILITY FEATURES

Wield With Grace

MANEUVERABILITY FEATURES

A commanding presence should mean expansion, not limitation. When you need to gauge your clearance, the **3D Around View® Monitor with Moving Object Detection** gives you eight exterior views of QX80 in one image. Then, with the single push of a button, watch as the camera rotates 360 degrees around the vehicle for a quick view of your surroundings. As you maneuver, the system alerts you to motion detected around the vehicle.^{20,22}

3D Around View® Monitor with Moving Object Detection²⁰

VISIBILITY FEATURES

See through space and time, in full view, on dual 14.3" displays.^{4,7} The near-180-degree **Front Wide View camera** shows you what's around the corner without needing to pull forward. Or, if you need to see what's under you, the **Invisible Hood View** projects an image of what's directly in front of the QX80 to spot the curb, the track at the car wash or a runaway soccer ball.²⁰

ADDITIONAL DRIVER ASSIST FEATURES

Gentle Guidance for the Road Ahead

**PREDICTIVE FORWARD COLLISION WARNING**

Can alert you to a potential collision up to two cars ahead²⁰

**FORWARD EMERGENCY BRAKING WITH PEDESTRIAN DETECTION**

Helps watch for vehicles and pedestrians in your path, and if detected, can apply the brakes²⁰

**LANE DEPARTURE PREVENTION**

Constantly monitors lane markings and can help guide you back if you unintentionally begin to drift²⁰

**BLIND SPOT INTERVENTION®**

Helps alert the driver to vehicles detected in the blind spot area and actively assists you back toward the center of your lane²⁰

**REAR CROSS TRAFFIC ALERT**

Uses sensors when backing up to detect approaching vehicles from either side and alerts the driver²⁰

**REAR AUTOMATIC BRAKING**

Can help apply the brakes if large stationary objects are detected behind you²⁰

DYNAMIC DIGITAL SUSPENSION

QX80 is designed to deliver a smoother ride for everyone on board, regardless of the road. Designed to help minimize vibrations, fatigue and motion sickness in certain driving conditions, the **Dynamic Digital Suspension** works with the **Electronic Air Suspension** to intelligently regulate vehicle body behavior, so even life's twists and turns can be navigated in security and comfort. They also lower the vehicle at cruising speeds for enhanced control and aerodynamics, optimizing for both efficiency and performance.^{1,17,23}

1 Feature availability varies by vehicle model year, model, trim level, packaging and options.

2 Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

3 When operating the rear power-seatback return, make sure that the vehicle is stopped and the transmission is in the P (Park) position.

4 See www.infiniti.com/intouch/legal for more INFINITI InTouch features/services information.

5 Available feature. Individual Audio is intended to isolate select audio sources for equipped seating positions, and cannot buffer interior sound. Before using, read Owner's Manual for further information.

6 Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included.

7 Information displayed in image is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation.

8 Do not use for extended periods of time. See Owner's Manual for important safety information.

9 Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details.

10 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.

11 INFINITI Dash Cam Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers. Not every impact will trigger the vehicle's sensors and, as a result, may not activate some or all the vehicle's cameras.

12 In-car camera and Dual Camera Drive Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers.

13 Feature availability varies by vehicle model year, model, trim level, packaging and options. **Consumer activation of a compatible INFINITI InTouch® Services package ("Package") required.** Package trial period included with eligible new vehicle purchase or lease. Trial period may be subject to change or termination at any time and without notice. After trial period ends, monthly subscription fee required. Driving is serious business and requires your full attention. Only use features when safe and legal to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Connectivity service required. App subscriptions may be required. Data rates may apply. Subject to third party service availability. Should such service providers terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to INFINITI or its partners or agents. 14 Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply.

15 System may not engage if sensor is obstructed. System does not have the capability to identify individual passengers. Please see Owner's Manual for feature information.

16 The Advanced Climate Control System with Plasmacluster® air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors.

17 Lowering and raising action for Access mode can only be performed when vehicle is at a complete stop and parked. Please see Owner's Manual for full details and information before using.

18 Remote Engine Start to be used only in accordance with laws or rules in effect in your vehicle's location.

19 MyINFINITI App shown for illustrative purposes only. Feature functionality may vary by vehicle model and options. See MyINFINITI Terms and Conditions.

20 Driver-assist and safety features have limitations which affect how they function in certain situations. The driver must never rely exclusively on any vehicle feature to warn about, prevent or lessen the severity of a collision. It is the driver's responsibility to always be in control, monitor the surroundings and safely operate the vehicle. Read your vehicle's Owner's Manual for further information.

21 INFINITI InTouch Services customer-activated subscription required. See www.infiniti.com/intouch/legal for more information. ProPILOT Assist 2.1 cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle and monitor traffic conditions at all times. Hands-off freeway driving is possible when driving in a single lane, on the condition that the driver remains attentive on the road ahead and is prepared to immediately take manual control of the steering wheel when conditions of the road, traffic, and vehicle require it. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.
