

# Forester Hybrid | 2025

The new Subaru Forester Hybrid. Love goes the extra mile.

**SUBARU.**

# Smaller footprint. Bigger adventures.

## The New 2025 Forester Hybrid

The Forester delivers everything you love—class-leading safety, proven reliability and rugged performance. And now, the Hybrid takes you farther than ever. With lower tailpipe emissions, it's designed to help protect the planet you explore. Combining electric and gas power, it delivers up to 581 miles on a single tank, keeping even your most remote adventures within reach.

Electric and  
gas power

Up to  
**581**  
miles of total range

**-CO<sub>2</sub> | -N<sub>2</sub>O**

Lowest tailpipe  
emissions of  
any Forester

Forester Hybrid Touring in Autumn Green Metallic/Crystal Black Silica Two-Tone.

## Power meets efficiency.

The Subaru Hybrid Drive System seamlessly blends the reliable power of the SUBARU BOXER® engine with an advanced electric motor, delivering the perfect mix of gas and electric power for every drive. Most journeys will use both motors, with the BOXER engine recharging the electric battery through regenerative braking or during low-demand situations. And when the opportunity arises, the Forester Hybrid automatically switches to all-electric mode, maximizing efficiency. With this advanced hybrid technology, the Forester Hybrid offers up to 581 miles on a single tank—up to 10 more miles per gallon than the traditional Forester.<sup>1</sup>

Forester Hybrid Touring in Autumn Green Metallic/Crystal Black Silica Two-Tone.

### Distinctive Style

With exclusive hybrid badging, black roof paint<sup>2</sup> and standard 18-inch wheels, the Forester Hybrid stands out from the rest of the line-up.

Uses electric power  
for max efficiency

Up to  
**10**  
more miles  
per gallon than  
traditional models<sup>1</sup>

Regenerative braking

## Built for the commute. Ready for the adventure.

Whether it's your daily drive or your next journey off the beaten path, the Forester Hybrid is built for anything. At its core is the reliable SUBARU BOXER engine paired with standard Subaru Symmetrical All-Wheel Drive—a feature you won't find in the drivetrain of the Honda CR-V Hybrid or Ford Escape Hybrid. With standard dual-function X-MODE® and 8.7 inches of ground clearance, you're ready to conquer dirt, mud, snow and rugged terrain with confidence.

Subaru is rated #1 in dependability, according to ACSI.<sup>4</sup>

## Go farther together.

Inside the Forester Hybrid, there's room for everyone—and everything. With 106.6 cubic feet of passenger space, the cabin is naturally illuminated by the standard panoramic moonroof and adorned with premium soft-touch materials. Choose from cloth, leather or water-repellent StarTex® upholstery to suit your style. The versatile cargo area features 60/40-split flat-folding rear seats and a foot-activated Hands-Free Power Rear Gate,<sup>5</sup> making every adventure easier to pack for.

### Seamless Connectivity

The all-new digital instrument cluster in the Forester Hybrid keeps you informed with key details like hybrid system power and efficiency—all while minimizing distractions. Stay effortlessly connected with standard wireless Apple CarPlay® and Android Auto™ on the Subaru Multimedia system with an 11.6-inch touchscreen. Additional conveniences include standard wireless charging and available Remote Engine Start with Climate Control,<sup>6</sup> putting advanced tech at your fingertips.

# An extra set of eyes every time you drive.

Every Forester Hybrid comes standard with EyeSight® Driver Assist Technology<sup>7</sup> with a wide-angle mono camera for improved visibility and an expanded range of detection. This comprehensive safety suite monitors the road ahead, alerts you to potential dangers and can even step in to help prevent collisions.

**Automatic Emergency Steering** can help you avoid collisions by providing automatic steering and pre-collision braking support when there's enough space to safely maneuver.

**Pre-Collision Braking** can automatically slow or stop your Forester if a potential collision is detected.

**Advanced Adaptive Cruise Control with Lane Centering** can help maintain a safe following distance and keep you centered in your lane for stress-free driving.

**Lane Departure and Sway Warning with Lane Keep Assist** can alert you if you drift and gently steer you back into your lane if needed.

**Pre-Collision Throttle Management** can reduce engine power to help give you more time to react in dangerous situations.

Forester Hybrid Limited in Daybreak Blue Pearl.

## Engineered for your peace of mind.

### Advanced Safety Features

The Forester Hybrid is equipped with the latest Subaru safety technology. Each system is designed for all-around reassurance, including the available 360-degree Surround View Monitor which provides a top-down view of your vehicle's surroundings for better visibility during tight maneuvers. Plus, the available DriverFocus® Distraction Mitigation System<sup>2,10</sup> can detect and prevent drowsy and distracted driving.

**Blind-Spot Detection<sup>8</sup>** warns you with a visual indicator on your exterior mirror if the system detects a vehicle in your blind spot.

**Rear Cross-Traffic Alert<sup>8</sup>** warns you with both audible alerts and a flashing indicator on your exterior mirror and Rear-Vision Camera display if traffic is approaching from the side while you're backing up.

**Reverse Automatic Braking<sup>2,9</sup>** can help bring your vehicle to a stop, if necessary, if it detects objects directly behind your vehicle.

**MySubaru® Safety and Security<sup>11</sup>** offers peace of mind with features like Automatic Collision Notification, SOS Emergency Assistance and other services to get you help when you need it most.

## Forester Hybrid Premium

- 194-hp Subaru Hybrid Drive System with 2.5-liter 4-cylinder SUBARU BOXER engine
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- 1,500-lb. towing capacity<sup>12</sup>
- Dual-function X-MODE with Hill Descent Control
- 18-inch aluminum-alloy wheels. Dark Metallic with machine finish.
- LED fog lights
- Panoramic moonroof
- Dark gray-finish exterior mirrors
- Privacy glass
- 12.3-inch full LCD digital gauge cluster
- Premium cloth upholstery
- Keyless Access with Push-Button Start
- Steering wheel with integrated manual-mode paddle shifters
- 10-way power-adjustable driver seat with 2-way lumbar support
- Subaru 11.6-inch Multimedia System with Navigation including wireless Apple CarPlay<sup>®</sup> and Android Auto<sup>™</sup> integration, SiriusXM<sup>13</sup> with 360L including 4-month trial and SiriusXM Travel Link<sup>®13</sup> trial, illuminated USB-A and USB-C input ports, Bluetooth<sup>®</sup> and 6 speakers
- Center console rear vents
- 4G LTE Wi-Fi capability<sup>14</sup>

— Not available

1 Based on EPA estimates for city MPG for 2025 Forester Hybrid vs. standard 2025 Forester. Actual mileage will vary. 2 Availability varies by trim level. See your Subaru retailer for details. 3 Based on Experian Automotive non-luxury vehicles in operation vs. total new registrations for MY2015-2024 as of December 2024. 4 Compared to all other measured mass-market automotive companies in the 2024 American Customer Satisfaction Index (ACSI®) surveys of customers rating their own automotive company's performance. ACSI and its logo are registered trademarks of the American Customer Satisfaction Index, LLC. 5 Foot activation function not operable when equipped with accessory tow hitch. See your Subaru retailer for details. 6 Requires Keyless Access with Push-Button Start and subscription to MySubaru Safety and Security services. 6-month free trial included. Not available in all states. See your Subaru retailer for details. 7 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. See your Owner's Manual for complete details on system operation and limitations. 8 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 9 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your Owner's Manual for complete details on system operation and limitations. 10 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See your Owner's Manual for complete details on system operation and limitations. 11 Activation with subscription required. Includes a three-year trial subscription to Safety services and a six-month trial subscription to Safety and Security services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Features and availability vary by model and trim level. May not be available in all states. Please contact your local authorized Subaru retailer for more information. 12 Maximum towing capacity varies by trim level. Trailer brakes may be needed. Do not use with any type of weight-distributing hitch as their usage has not been validated to work with Subaru vehicles. Some safety features, including Blind-Spot Detection, Rear Cross-Traffic Alert, Smart Rear-View Mirror and X-MODE, may not function properly during towing. See your Owner's Manual for details. 13 SiriusXM 4-Month Trial: Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](http://siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio LLC and its respective subsidiaries. 14 Activation and subscription required. Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add a line to their AT&T Mobile Share plan. See your Subaru retailer for details. 15 Qi® wireless charging may not be compatible with all mobile devices. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
