The Volvo V90 Cross Country

The V90 Cross Country is the perfect getaway car. The luxury wagon with Google built-in is designed for exploration. Road conditions can vary, but this advanced wagon is designed to help create a more controlled experience. With all-wheel drive, Off-road mode, high ground clearance, Hill Descent Control and optional Active Chassis with Rear Air Suspension, the V90 Cross Country can help optimize traction, grip and safety, leaving you to enjoy an exhilarating drive.

KEY FEATURES

Off-Roading Capability

With Electronic Stability Control (ESC), Corner Traction Control, and the advanced AWD system with Instant Traction™, this car is ready for any adventure ahead.

Spacious Comfort

This wagon puts an emphasis on seat comfort and roominess in the cabin. The higher seating position allows for more driving visibility, and the spacious cargo allows you to take whatever belongings you'd like.

Premium Interiors

With standard seat ventilation and Nappa leather front seats, every trip is a pleasure and helps you reach your destination in great shape.

Always Connected with Google built-in

The Android OS-based state-of-the-art technology incorporates Google Assistant, Google Maps, and Google Play Store. Access to Google Services plus data are included in the standard Digital Services Package.*

*Data for Digital Services Package is included standard for 4 years.
